Giroxx GmbH

Member of the INTL FCStone Group

FX Payments Analyst– (m/f/d)

Frankfurt am Main

Permanent employment

INTL FCStone Ltd (“IFL”) is a wholly owned subsidiary of INTL FCStone Inc., a publicly traded company on NASDAQ (INTL). INTL FCStone, including its subsidiaries, provides clients across the globe with a comprehensive array of customised financial services and tools to help them protect their margins and manage volatility. A pioneer in specialised financial services, we open markets for clients underserved by other financial institutions with insight, guidance and transparency.

IFL’s customers include the producers, processors and end users of virtually every major traded commodity; commercial counter-parties; governmental, non-governmental and charitable organizations; institutional investors; brokers; professional traders; commercial banks; and major Investment banks.

IFL is an FCA authorised and regulated firm to provide trade execution, clearing and advisory services focusing primarily on the commodities and foreign exchange sectors. IFL is also registered as a payment services firm in support of its niche Global Payments business.

Job purpose

This is a key role within the Global Payments Department. Responsible for the effective processing of payments and the related back office duties including settlements and investigations.

Primary Accountabilities/Responsibilities:

- To ensure that payments and transactions are validated and released in an accurate and timely manner.
- Execution management (trade and payment).
- To generate manual payments in SWIFT Alliance or other online payment applications.
- Manage a variety of investigations including failed payments and non-receipts, amendments and cancellations.
- Payment netting and execution.
- To ensure that all FX Confirmations are performed in an accurate and timely manner.
- Conduct daily reconciliation of incoming and outgoing funds.
- Provide statistics, reports and presentations.
- To effectively manage the group email address daily
- Liaise with and assist front office and Client Services as required.
- To liaise and provide support to other processing centres around the globe
- Work with the Global Payments team on projects and initiatives
- Comply with all applicable company, regulatory and internal compliance requirements, including the prevention of Financial Crime and Fraud.
- This list of responsibilities may not be all-inclusive and can be expanded to include other duties or responsibilities as needed.

Knowledge and Experience

- Previous experience within banking, foreign exchange or international payments.
- Understanding of the financial services and Banking industries.
- Knowledge of global payment protocols particularly in emerging markets (preferred).
- A keen interest and up to date knowledge of payment trends and technologies

Qualification and Skills:

- Working knowledge of SWIFT and Multi-Cash software.
- Self-reliant and confident working within a small team.
- Excellent computer navigation ability and strong MS Office skills
- Strong attention to detail and accuracy.
- Excellent critical thinking/problem solving skills.
- Ability to prioritise, organise and multitask
- Good team player
- Operational risk awareness.
- Fluent in German and English
- Educated to degree level (preferable)
